08 Opt-In Guest Experience & Loyalty

FROM VIDEO TO BUSINESS INTELLIGENCE TO BUSINESS GOALS

Better service. Relevant offers. Measured outcomes.

1 OPT-IN CHECK-IN

- Guest voluntarily joins or checks in
- Table/zone captured (e.g. Patio – Table 12)

2 ORDER & SERVICE TIMELINE

- 12:03 Checked In (Visit ID: A7F3-9K2)
- 12:08 Order Placed (Table 12)
- 12:26 Food Delivered
- 13:10 Additional Order

3 VISIT CLOSE

- Departure recorded (visit closed)
- Dwell time from verified check-in and checkout only.

If departure is not recorded, dwell time is unknown.

4 APPROVED OUTREACH

- Only approved, opt-in guests can receive outreach.
- No automatic messaging, face identification, inferred habits or purchase cross-reference without explicit consent.
- Separate birthday month/day voluntarily supplied — never harvested from ID scan.

Level 6: optional relationship layer — ASI360 planning model, not a camera standard.
